

OCTOMAR Vision

To be the leading and preferred provider of maritime services in Angola, including subsea services, vessels chartering, offshore tanker terminal operations, marine installation and engineering, reputable for its high standards of safety and quality.

Mission

OCTOMAR is a maritime service provider, within the Angolan coast and in Southern African bordering states. We value the combination of world class expertise, inventiveness, extensive market knowledge and specialized and state of the art equipment as the key ingredients towards offering our customers the high quality and safe solutions they require, whilst meeting the requirements of contract, code, standards, specifications and sound industry practice.

We strive to fulfill the needs of five critical stakeholder groups:

Customers: prioritize customer satisfaction by delivering a high quality and safe service tailored to customer's specific needs.

Employees: to offer challenging work, personal development opportunities and a clear career path.

Shareholders: to offer corporate transparency and to create shareholder value.

Partners: to cooperate on the basis of mutual respect and mutual benefit.

Society: to act with due care with the environment and the community and to act ethically.
